July 18, 2007

Dear Parents,

Our Zone 56, fifth and sixth grade ministry, had another successful year last year and we look forward to the same this year. To help with staffing needs and space issues, I will need you to register your child if you intend for him/her to be involved in this exciting ministry. Zone 56 meets every Wednesday evening, 6:30 – 8:00 p.m. beginning September 19. Attached is the registration form, a medical release/permission form and volunteer opportunities. Zone 56 Steering Team also requests a registration fee of \$35/student (\$60 family cap) to help with Zone 56 expenses such as curriculum, supplies, etc. If this places an undue burden upon your family, please talk to me. Please *return* this form by **August 5** by mail or to my mailbox in the office. Checks can be made out to RUMC.

I would like you to please pay special attention to the volunteer opportunities. This ministry stands separate from children and youth, therefore we must work together to staff various needed positions. We need small group leaders (to co-lead); fellowship event planners (fall, Christmas, Valentines); and large group leaders (for opening activities; similar to a teacher). More detailed job descriptions are on the attached sheets. In addition, this group has a council to oversee the entire program. If you are especially interested in choosing curriculum; how decisions are made; and various administrative activities, please contact me at church. The Zone 56 Steering Council will have a meeting later this summer.

I am extremely excited to continue this ministry to these kids here at RUMC. I think our 5<sup>th</sup> & 6<sup>th</sup> graders deserve the very best we can give them. I know this will be possible through God's help as well as your help and support.

Sincerely,

Karen Klekner  
Zone 56 Director
